

Feedback for the current work:

Great work!

Let's take a dialog about the contents tomorrow.

Action points:

1. Clarify authenticator
2. Particular users - clarify activity diagram
3. Add actor on Activity Diagrams
4. User - change name
5. Not plugged - not consuming
6. View Historical Data - Consumption
7. Sequence diagram names
8. Definitions Sunny scenario
9. Sequence diagram naming correction
10. Test Cases - what exactly
